

**7%**  
**CUTS**

*the*

- In February, a regulatory glitch opened the door for **7% cuts to rates for supports and staff** which people with intellectual, developmental and physical disabilities rely on.
- Despite **strong bi-partisan support for a fix**, the legislative session ended without fixing the cut.
- Minnesotans with disabilities relying on critical supports will **lose \$140 million** over the next three years unless policy-makers act.

## INVEST!

- ★ We need to invest in community supports to ensure people can access **trained staff, attain independent living, and reach work and play goals.**
