

## USING ONLINE DIRECTORIES

Directories are located in the Members Area. Select the main directory page or a submenu by directory type. You must be logged in and have Member Area access to use ARRM directories.

Submenu

Directory results are exportable.

### Member Directories

A screenshot of the ARRM Member Search interface. At the top, there are tabs for Member Search, Associate Members, Organizational Members, Company Contacts, and Associate Services. The main content area is titled "ARRM Member Search" and contains several search criteria fields: "Last name starts with", "First name starts with", "Company starts with", "Company contains", "City starts with", and "State equals" (with a dropdown menu currently set to "(Any)"). A blue "Find" button is located below the fields. Below the search area, there is a note: "Please enter your search criteria to view results". At the bottom of the page, a disclaimer reads: "\*Only ARRM member agencies and approved staff will appear in the directories".

- **ARRM Member Search** – search for members by name, company or city
- **Associate and Organizational Members** directories – lists of member companies.
- **Company Contacts** – designated main and alternate contacts for member companies.
- **Associate Services** – search by company or business description.

## USING ONLINE DIRECTORIES

### Program Directories

- Search for member programs by specific service programs or by \*all

Select a search query to narrow results or sort by column

Select a query | ▼
