ARRM Button Design Tips & Contact Form

Thank you for submitting a design!

Please note that illustrations must be created by self-advocates and all designs must be kept within the circle template.

Do not use any words in the design as they will be lost/hard to read after the image is reduced to button size.

You may mail the original paper artwork on the template to ARRM, or send it via email. If you are sending your design by email, your file must be saved as an .eps, .pdf, .ai, or .jpg that is at least 300 dpi resolution.

Please include the following form with your design and send to:
